EXPERIENCE

Marketing Assistant

KSU Department of Sports and Recreation

April 2017 – October 2018

Using Adobe Illustrator and Photoshop, I designed flyers and posters to inform students of what's happening in the Student Recreation Center. This involved taking large amounts of information and presenting it in a way that is simple and engaging for students.

Accounting Assistant

In-Rhythm Consulting

September 2015 – March 2017

I entered financial contributions into online databases for church records. I also managed payables receipts in Quickbooks for church staff.

Shipping Clerk / Graphic Designer

UPS

July 2013 – November 2013

I entered and processed package shipping information, as well as designed flyers and posters for customers.

EDUCATION

B.S., Interactive Design, GPA 3.86

Kennesaw State University
